

**YALSA Board of Directors Meeting
ALA Annual Conference, Washington DC
June 24 – 29, 2010**

Topic: Presidential Citation for 2010

Background: At the 2008 Annual Conference YALSA's Board approved the establishment of a Presidential Citation, which highlights excellence among members of YALSA as well as library supporters who have provided outstanding service to the association or the profession of young adult librarianship. The citation may be given to an individual or group at any time. In April the Board voted via email to award the citation this year to a particular organization that has been a long term supporter of YALSA and young adult literature. Including the item as a part of this meeting simply ensures it will be entered into the official record of the association.
